Dear Mr. Mulligan:

First allow me to apologize for the lateness of this thank you letter and to introduce myself to you. My name is Chery Allen, Veterans Resource Facilitator of Piquette Square for Veterans. I came on board in February 2011 and am in awe of the generosity of our community.

The donated clothing we received from your company filled a huge need with our resident veterans. "New" merchandise is not something we always receive and one resident veteran said "I never had a coat as nice as the one your company provided." Again, I say thank you on their behalf.

As you know, the purpose of Piquette Square is to enable homeless veterans to recover a life of dignity and hope. There are approximately 18,000 individuals who experience homelessness in Detroit each year, 4,000 of whom are veterans.

Piquette Square provides permanent supportive housing where tenants can live out their lives, drawing on case management services to avail primary care, counseling, substance abuse therapy, job counseling, and life skills training to rebuild their lives.

The support you provided is critical and please know that we are forever grateful. Your donations are well received and will help continue the mission of Piquette Square to enable once homeless veterans to maintain a healthier and securer lifestyle.

Your contribution to Southwest Solutions is tax deductible to the extent allowed by law. Please save this letter as your receipt and as acknowledgement that no goods or services were received in consideration of your gifts. Value: _____.

Sincerely,

Chery Allen, CAVS
